

Announcing a Two Day Intensive Review

MAGNETIC RESONANCE IMAGING

Waikiki Resort Hotel, 2460 Koa Ave, Honolulu, Hawaii 96815
Saturday March 6 and Sunday March 7, 2010 from 8:30AM to 4:30PM

You are *cordially invited* to attend this acclaimed ASRT accredited Seminar
Pre-requisite for part I: You must be a graduate of a Radiologic Technology Program
Pre-requisite for part II: You must have recently completed Part I – or it's equivalent

Part I begins with MRI basics – building a robust understanding of MRI. Even registered technologists report *significant improvement* in their comprehension and confidence! Part II is specifically targeted to building confidence in taking the

MRI Registry. Sign up for both I and II in advance, and receive a **FREE CD** containing hundreds of questions with answers, and formatted as electronic flash cards.

For practical reasons registration is limited to twenty. Register EARLY and avoid disappointment. To register on line visit the **IMIT** website www.IMITweb.com
