

Announcing an Acclaimed Educational Seminar

X-RAY COMPUTED TOMOGRAPHY

GREATER PHILADELPHIA

February 25 and 26 8:30AM to 4:30PM

Mastery Retreat, 1120 Mount Laurel Road, HAINESPORT, NJ 08036

(29 miles from Philadelphia International Airport)

You are *cordially invited* to attend this acclaimed ASRT accredited Seminar. Earn 8 catA credits per day if you are a graduate of a Radiologic Technology Program. To participate in Day II you must have recently completed Day I – or equivalent. Day I will begin with basics – and build a strong *Foundation of Understanding* of CT. Even experienced and registered technologists report *significant improvements in their skill, confidence and competence* in CT after Day I. Day II is aimed at elevating your confidence in taking the Registry – pass rate in 2010 is 100%. We will review several hundred questions formatted as electronic flash cards during Day II. *Limited seating*. Sign up EARLY to avoid disappointment. Save even more – sign up in advance on the web at www.IMITweb.com

INSTITUTE OF MEDICAL IMAGING TECHNOLOGY

Confident. Brilliant. Professional. Extra-ordinary. We'll take you there. We're IMIT
