

## Announcing an Acclaimed Educational Seminar

# MAGNETIC RESONANCE IMAGING

**GREATER PHILADELPHIA**

January 21 and 22, 8:30AM to 4:30PM

Mastery Retreat, 1120 Mount Laurel Road, HAINESPORT, NJ 08036

*(29 miles from Philadelphia International Airport)*

---

You are *cordially invited* to attend this acclaimed ASRT accredited Seminar. Earn 8 catA credits per day if you are a graduate of a Radiologic Technology Program. To participate in Day II you must have recently completed Day I – or equivalent. Day I will begin with basics – and build a strong *Foundation of Understanding* of MRI. Even experienced and registered technologists report *significant improvements in their skill, confidence and competence* in MRI after Day I. Day II is aimed at elevating your confidence in taking the Registry – pass rate in 2010 is 96%. We will review several hundred questions formatted as electronic flash cards during Day II. *Limited seating*. Sign up EARLY to avoid disappointment. Save even more – sign up in advance on the web at [www.IMITweb.com](http://www.IMITweb.com)
