

Announcing a two day intensive review of

MAGNETIC RESONANCE IMAGING

To be held in VIRGINIA BEACH, VA

Saturday March 13 and Sunday March 14, 2010 from 8:30AM to 4:30PM

You are *cordially invited* to attend this acclaimed ASRT accredited Seminar
Pre-requisite for part I: You must be a graduate of a Radiologic Technology Program
Pre-requisite for part II: You must have recently completed I – or it's equivalent

Part I will begin with MRI basics – building up to a robust understanding of MRI. Even experienced technologists have reported significant improvement in their comprehension and confidence. Part II is aimed at elevating your confidence in taking the Registry. Register for both I and II in advance, and receive a **FREE CD** containing hundreds of questions with answers, and formatted as electronic flash cards.

For practical reasons registration is limited to twenty. Register EARLY and avoid disappointment. To register visit **IMIT** website www.IMITweb.com

INSTITUTE OF MEDICAL IMAGING TECHNOLOGY
Confident. Brilliant. Professional. Extra-ordinary. We'll take you there. We're IMIT
